

State Council of
Higher Education for Virginia

Governor's Commission on Higher Education Reform, Innovation and Investment

Andy Fogarty, SCHEV Interim Director
State Council Briefing Session
September 20, 2010

Commission Priorities

- Preserve and enhance instructional excellence.
- Increase % of college-age Virginians enrolling and completing.
- Prepare more graduates in STEM and shortage-area fields.
- Forge public-private partnerships and regional strategies for business recruitment, workforce prep, and university research.
- Become national leader in higher education opportunities for military personnel and veterans.
- Craft a sustainable funding model.
- Develop innovative ways to deliver quality instruction, cost savings, and affordable new pathways to degree attainment.
- Evaluate strategies to reduce costs through additional college placement testing and accelerated degree completion.
- Create effective workforce development programs via expanded use of the VCCS in coordination with the EO1 Commission.

Commission Goals

- Increased Degree Attainment, Financial Aid & Workforce Training
 - 100,000 cumulative additional degrees by 2025.
 - Focus on STEM, projected worker shortages, Va residents, financial aid for low & middle income, military personnel and veterans.
 - Coordinate with relevant Secretaries/Agencies on workforce dev.
- Implement Innovation and Cost Containment
 - Model for higher ed funding & service delivery.
 - Reduce/prevent wasteful spending, eliminate redundancy, phase-out low-demand degree programs.
 - Enhance instruction delivery via technology, and increase inter- & intra-sector collaboration, to reduce time/cost to degree.
 - Analyze the Restructuring Act.
- Regional Strategies/Partnerships for Research & Econ. Dev.
 - Increase leveraging of private & federal research funding.
 - Identify funding streams for incentivizing regional collaboration & public-private partnerships.
 - Coordinate w/Commerce & Trade; specifically w/Energy Institute.
