I. PURPOSE
The purpose of this Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiation for the purpose of consultant research services by the State Council of Higher Education for Virginia (SCHEV).

II. BACKGROUND
Since 2003, as part of SCHEV’s biennial enrollment projections, SCHEV has included accompanying projections of enrollment demand developed by a third-party. The 2003 and 2005 editions of the biennial enrollment projections may be found at: http://research.schev.edu/enrollment/projections/.

III. STATEMENT OF NEEDS
A. The 2007 biennial enrollment projections submitted by Virginia’s public institutions extend from academic and fiscal years 2006-07 through 2013-14. The demand projections requested by this RFP shall use Fall 2006 enrollment as the basis of the projections and project fall headcount enrollment demand 10 years forward.
B. The enrollment demand projections shall be based on demand of in-state enrollment only.
C. Projected enrollment demand shall be reported for each fall semester with no fewer than four (4) components: public four-year institution enrollment, public two-year institution enrollment, and private, non-profit institution enrollment, and the sum of these components.
D. The final report shall provide an assessment of the critical factors affecting both enrollment demand in general and accuracy of the demand projection.
E. The final report shall also include a mathematical equation and textual description of the model used for the demand projections and explication of the data used.
F. The final report shall be submitted electronically with three (3) printed copies.

IV. PROPOSAL PREPARATION AND SUBMISSION INSTRUCTIONS
A. Offeror shall provide a written brief of not more than four (4) pages describing the offeror’s proposed approach to developing the requested projections of enrollment demand. This brief should demonstrate the clarity of the offeror’s understanding the projections requested by this RFP and SCHEV’s enrollment projection process. Included in this brief shall be description of the data or resources required of SCHEV to complete this project.

B. Offeror shall provide vitas or resumes of all primary staff to be involved in the project.

C. Offeror shall acknowledge that all of the formula and methods used to produce enrollment demand projections shall not be proprietary and shall be reproduced in an appendix to the final overall enrollment projections report released by SCHEV in July 2007.

D. As the final section of the proposal, Offeror shall include an overview of the tasks the cost associated with each task, and the total cost.
V. EVALUATION AND AWARD CRITERIA
   a. SCHEV will evaluate proposals using standard templates from the CAPP manual and will focus on clarity, the specific deliverables.
   b. Demonstration of the necessary organizational and staff expertise assigned to this proposal, including sufficient resources to accomplish RFP Requirements
   c. Price/cost proposal to be charged to the SCHEV for providing services required.
   d. References from other clients.

A. General Requirements:

1. RFP Responses: In order to be considered for selection, Offerors must submit a complete response to this RFP. One (1) original and five (5) copies of each proposal must be submitted to the SCHEV. No other distribution of the proposals shall be made by the Offeror.

2. Proposal Preparation:
   a. Proposals shall be signed by an authorized representative of the Offeror. All information requested should be submitted. Failure to submit all information requested may result in the Agency requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by the purchasing agency. General Terms and Conditions are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation
   b. Ownership of all data, materials and documentation originated and prepared for the State pursuant to the RFP shall belong exclusively to the State and be subject to Public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an Offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act; however the Offeror must invoke the protections of Sections 11-52D of the Code of Virginia, in writing, either before or at the time the date or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices and/or total proposal prices as proprietary or trade secrets is not acceptable and will result in rejection of the proposal.
   c. Proposal should be prepared simple and economically providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarify of content.
   d. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number sub letter and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and sub letter should be repeated at the top of the next page. The proposal should contain a table of
contents which cross-references the RFP requirements. Information which the Offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at the appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically.

c. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.

3. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the Agency. This provides an opportunity for the Offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The Issuing Agency will schedule the time and location of these presentations. Oral presentations are an option of the purchasing agency and mayor may not be conducted.

The Offeror is required to limit the number of representatives at the oral presentation to three (3) individuals.

4. Informal Communications: From the date of receipt of this RFP by each Offeror until a binding contractual agreement exists with the selected contractor and all other Offerors have been notified, or when the SCHEV rejects all proposals, informal communications regarding this procurement shall cease.

There shall be no requests from Offerors to any Office or SCHEV with the exception of Contact for information, comments, etc., and they shall be written or faxed.

5. Formal Communications: From the date of receipt of this RFP by each Offeror, until a binding contractual agreement exists with the selected Contractor, and all other Offerors have been notified, or when the SCHEV rejects all proposals, all communications between the SCHEV and the Offerors will be formal or as provided for in this RFP or as requested by Contact. Formal communication shall include but not be limited to:

a. Oral Presentations
b. Site Visits

6. ANY FAILURE TO ADHERE TO PROVISIONS SET FORTH IN #4 AND #5 ABOVE MAY RESULT IN THE REJECTION OF ANY OFFEROR'S PROPOSAL AND/OR CANCELLATION OF THIS RFP.
B. **SPECIFIC REQUIREMENTS:** Proposals should be as thorough and detailed as possible so that the SCHEV may properly evaluate Offeror's capabilities to provide the required services. Offerors are required to submit the following items as a complete proposal:

1. Return the RFP cover sheet and all addenda acknowledgements, if any, signed and filled out as required.
2. Complete Contractor Data Sheet, included as an attachment (Attachment A) to the RFP, and other specific items or data requested in the RFP.
3. A written narrative statement to include as a minimum:
   a. Experience in providing the services described herein.
   b. Names, qualifications, resume and experience of key staff to be assigned to contract.
   c. List of departments or sections of your company and number of staff by department or function.
   d. A description of the Offeror's understanding of the SCHEV requirements and how the work will be performed.
   e. A schedule outlining timeframes for performance of services.
   f. Proposal pricing of services to the SCHEV.

C. **AWARD CONTRACT:** Selection shall be made of two (2) or more Offers deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposals, including price, if so stated in the Request for Proposals. Negotiations shall be conducted with the Offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each Offeror so selected, the Agency shall select the Offeror which, in its opinion, has made the best proposal, and shall award the contract to that Offeror. The Commonwealth may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reason why a particular proposal was not deemed to be the most advantageous. (Section 11-6SD, Code of Virginia). Should the Commonwealth determine in writing and in its sole discretion that only one Offeror is fully qualified, or that one Offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that Offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor's proposal as negotiated.

VI. **REPORTING AND DELIVERY INSTRUCTIONS**
   a. The final report shall provide an assessment of the critical factors affecting both enrollment demand in general and accuracy of the demand projection.
   b. The final report shall also include a mathematical equation and textual description of the model used for the demand projections and explication of the data used.

A. VENDOR'S MANUAL: This solicitation is subject to the provisions of the Commonwealth of Virginia Vendors Manual and any revisions thereto, which are hereby incorporated into this contract in their entirety. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at www.dgs.state.va.us/dps under "Manuals".

B. APPLICABLE LAWS AND COURTS: This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The agency and contractor are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using Alternative Dispute Resolution (ADR) procedures (Code of Virginia, Section 2.2-4366). ADR procedures are described in Chapter 9 of the Vendors Manual. The contractor shall comply with all applicable federal, state and local laws, rules and regulations.

C. ANTI-DISCRIMINATION: By submitting their proposals, Offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and Section 2.2-4311 of the Virginia Public Procurement Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender, or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body, (Code of Virginia, Section 2.2-4343.1E).

In every contract over $10,000 the provisions in 1. and 2. below apply

1. During the performance of this contract, the Contractor agrees as follows:

   a. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

   b. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

   c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements. The Contractor will include the provisions of 1. above in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

D. ETHICS IN PUBLIC CONTRACTING: By submitting their proposals, Offerors certify that their proposals are made without collusion or fraud and they have not offered or received any kickbacks or inducements from any other Offeror, supplier,
manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised unless consideration of substantially equal or greater value was exchanged.

E. IMMIGRATION REFORM AND CONTROL ACT OF 1986: By submitting their proposals, the Offerors certify that they do not and will not during the performance of this contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.

F. DEBARMENT STATUS: By submitting their proposals, Offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

G. ANTITRUST: By entering into a contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.

H. MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS: Failure to submit a proposal on the official State form provided for that purpose may be a cause for rejection of the proposal. Modification of or additions to the General Terms and Conditions of the solicitation may be cause for rejection of the proposal; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.

I. CLARIFICATION OF TERMS: If any prospective Offeror has questions about the specifications or other solicitation documents, the prospective Offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

J. PAYMENT

1. To Prime Contractor:
   a. Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

   b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

   c. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the contract price, regardless of which public agency is being billed.
d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

e. Unreasonable charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within (30) thirty days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute. (Code of Virginia, Section 2.2-4363).

2. To Subcontractors:

a. A contractor awarded a contract under this solicitation is hereby obligated:

   (1) To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

   (2) To notify the agency and the subcontractor(s), in writing of the Contractor's intention to withhold payment and the reason.

b. The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

3. Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWAM procurement plan. Final payment under the contract I question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
K. **PREFEDEANCE OF TERMS:** The following General Terms and Conditions VENDORS MANUAL, APPLICABLE LAWS AND COURTS, ANTI DISCRIMINATION, ETHICS IN PUBLIC CONTRACTING, IMMIGRATION REFORM AND CONTROL ACT OF 1986, DEBARMENT STATUS, ANTITRUST, MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS, CLARIFICATION OF TERMS, PAYMENT shall apply in all instances. In the event there is a conflict between any of the other General terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.

L. **QUALIFICATIONS OF OFFERORS:** The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the Offeror to perform the work/furnish the item(s) and the Offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect Offeror's physical facilities prior to award to satisfy questions regarding the Offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such Offeror fails to satisfy the Commonwealth that such Offeror is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein.

M. **TESTING AND INSPECTION:** The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure supplies and services conform to the specification.

N. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the Contractor in whole or in part without the written consent of the Commonwealth.

O. **CHANGES TO THE CONTRACT:** Changes can be made to the contract in anyone of the following ways:

1. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as part of their written agreement to modify the scope of the contract.

2. The Purchasing Agency may order changes within the general scope of the contract at any time by written notice to the Contractor. Changes within the scope of the contract include, but are not limited to things such as services to be performed, the method of packing or shipment and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one of the following methods:

   a. By mutual agreement between the parties in writing; or

   b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the Contractor's records and/or to determine the correct number of units independently; or
c. By ordering the Contractor to proceed with the work and to keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia's Vendor's Manual. Neither the existence of a claim or a dispute resolution process, litigation or any other provision of this contract shall excuse the Contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the contract generally.

P. DEFAULT: In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Commonwealth may have.

For the purpose of this section, "drug-free workplace" means a site for the performance of work done in connection with specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled
substance or marijuana during the performance of the contract.
